

Do you love to read, but can't get out to the library?

Do you miss getting DVDs, music, or puzzles at the library because you can no longer drive? Do you know someone like this?

The Friends of the Sun City Libraries

BOOK BUDDY PROGRAM

can help! We have volunteers just waiting to bring books, DVDs, Puzzles, and/or CDs right to your door. We'll take them back to the library when you are done, and then bring you some more.

Our service is volunteer based and **free of charge** because we want to help! Everyone should be able to use their library. We can even help you get and/or renew your library card.

Please call our Books Around the Corner Bookstore at

602-651-2014

to request our service or for more information.

We can't wait to hear from you!
