SUN CITY LIBRARIES HIGHLIGHTS

- ◆ In 1960, the first library in Sun City was established in the Fairway Recreation Center.
- ◆ In 1976, the Bell library opened in the Bell Recreation Center.
- ◆ In 2009, facing financial challenges, the Sun City libraries joined the Maricopa County Library District system (MCLD), and this same year, Books Around The Corner opened.

The Friends of the Libraries support the two Sun City library branches by working closely with MCLD and the Recreation Centers of Sun City.

Between 2015-2021, Books Around The Corner earned over \$300,000, which was used to provide both Sun City libraries with special programs, shelving, tables, chairs, computers, check-in machines and a drive up drop-off box to name just a few. Therefore, your donations and bookstore purchases go a long way to help support your community libraries!

We, and they, thank you!

During the COVID quarantine and subsequent pandemic, we had to suspend some of our outreach projects and programs, like homebound delivery and reading to memory care patients. We are hopeful that, when circumstances allow, we will again offer projects and programs to benefit the community.

We depend upon revenue from Books Around the Corner, and from monetary donations and bequests given to us by loyal patrons, to meet our goals.
