

Press release

The Sun City branches of the Maricopa County Library District and the Friends of the Sun City Libraries are working together to provide presentations on the library's resources and services available in our area.

This "Speakers Bureau" will visit local clubs and organizations to provide information and to get input on how to serve the community better. There is no cost for the event.

All programs are tailored to the specific group; topic, format, time limit, and other factors will be considered as the presentation is planned. Options include a PowerPoint show. Prizes or treats can also be included.

For more information or to book a program, contact Sue Blechl at 623-972-3409 or sueblechl@gmail.com.
